

org.jgap.eval.Population
HistoryTest.testSerializable_0

```
graph LR; A[org.jgap.eval.PopulationHistoryTest.testSerializable_0] --> B[org.jgap.JGAPTestCase.assertEquals]; A --> C[org.jgap.JGAPTestCase.doSerialize];
```

The diagram illustrates a call from the test method `org.jgap.eval.PopulationHistoryTest.testSerializable_0` to two methods in the `org.jgap.JGAPTestCase` class: `assertEquals` and `doSerialize`. The source box is shaded gray, while the target boxes are white.

org.jgap.JGAPTestCase.assertEquals

org.jgap.JGAPTestCase.doSerialize
