

examples.audit.CoinsExample.main

```
graph LR; A[examples.audit.CoinsExample.main] --> B[examples.audit.CoinsExample.makeChangeForAmount]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'examples.audit.CoinsExample.main'. The right box is white and contains the text 'examples.audit.CoinsExample.makeChangeForAmount'. A dark blue arrow points from the right side of the left box to the left side of the right box.
