The diagram consists of three rectangular boxes connected by arrows. The first box on the left is shaded gray and contains the text 'org.jgap.impl.RandomGeneratorForTesting.RandomGeneratorForTesting'. A blue arrow points from this box to the second box in the middle, which is white and contains 'org.jgap.impl.RandomGeneratorForTesting.setNextFloat'. Another blue arrow points from the second box to the third box on the right, which is also white and contains 'org.jgap.impl.RandomGeneratorForTesting.setNextFloatSequence'.
