

org.jgap.Population.compareTo

```
graph LR; A[org.jgap.Population.compareTo] --> B[org.jgap.Population.Population]; A --> C[org.jgap.Population.size];
```

The diagram illustrates a method call or dependency. A central box on the left, labeled 'org.jgap.Population.compareTo', has two arrows pointing to the right. The top arrow points to a box labeled 'org.jgap.Population.Population', and the bottom arrow points to a box labeled 'org.jgap.Population.size'. The central box is shaded gray, while the two target boxes are white with black borders.
